UNPRECEDENTED OFFER

NOW ANY COMPETITOR'S PRINTING CALCULATOR, in use in your offices, may be worth an extra \$50 over and above the published trade-in value when applied toward the purchase of a Monroe Mach 1.07 printing calculator.

WHY?

Monroe makes this offer to enable you to compare the Mach 1.07 with your present printing calculator. Only then will you readily know how much faster and easier your work will go with this Monroe.

HOW?

Phone your local Monroe office before the expiration date on the enclosed Bonus Certificate to profit from this unprecedented offer. Our representative will stop in to show you the advantages of a Mach 1.07. Ask him to show you the published trade-in value of your printing calculator. Then give him your Bonus Certificate for an extra \$50 allowance. Of course, only one coupon per machine purchased.

CALL?

Act before this offer expires. Phone Monroe now and you can put this calculator to work saving time and money. See for yourself if the Monroe Mach 1.07 lives up to other users' praises: "Simple to use" -- "Compact" -- "Speedy" -- "Economical" -- "Versatile".
